About This Job

Axos is seeking a motivated and detail-oriented Junior Data Analyst to join our dynamic Commercial Analytics team. This role requires a solid understanding of accounting and financial concepts, and the ability to work independently and manage priorities and deadlines. The ideal candidate will have a passion for data analysis and a strong desire to learn and grow in the field and. As a Junior Data Analyst, you will work closely with senior analysts and other team members to support data-driven decision-making processes.

Responsibilities:

- Analyze and interpret full **P&L, balance sheet, and cash flow statements**
- Prepare monthly, quarterly, and annual budgeting, **forecasting**, and **financial reporting** deliverables
- Analyze historical data and prepare biweekly forecasts of non-interest income and operating expenses
- Utilize the Bank's systems to create reports to manage the assets that require special attention and monitoring
- Assist with data architecture management, system-to-system management, data integration, data investigation, and data integrity initiatives
- Perform other projects, support, and duties as assigned by management

Qualifications:

- Bachelor's degree in Finance, Accounting, Business, Data Analytics, Economics, or related field
- Minimum of 1 year of experience in a related role
- Minimum of 1 year of experience in SQL, Tableau, Python, and Excel
- Knowledge of financial statements, compliance, and reporting
- Education and/or work experience in Accounting is a plus
- Knowledge of GAAP accounting principles
- Banking industry preferred

Axos Employee Benefits May Include:

- Medical, Dental, Vision, and Life Insurance
- Paid Sick Leave, 3 weeks' Vacation, and Holidays (about 11 a year)
- HSA or FSA account and other voluntary benefits
- 401(k) Retirement Saving Plan with Employer Match Program and 529 Savings Plan
- Employee Mortgage Loan Program and free access to an Axos Bank Account with Self-Directed Trading

About Axos

Born digital-first, Axos delivers financial tools and services that allow individuals, small businesses, and companies to access and manage their money how, when, and where they want. We're a diverse team of dynamic, insightful, and independent innovators who are excited to provide technology-driven solutions that offer unbeatable value to our customers.

Axos Financial is our holding company and is publicly traded on the New York Stock Exchange under

Pre-Employment Background Check and Drug Test:

All offers are contingent upon the candidate successfully passing a credit check, criminal background check, and pre-employment drug screening, which includes screening for marijuana. Axos Bank is a federally regulated banking institution. At the federal level, marijuana is an illegal schedule 1 drug; therefore, we will not employ any person who tests positive for marijuana, regardless of state legalization.

Equal Employment Opportunity:

Axos is an Equal Opportunity employer. We are committed to providing equal employment opportunities to all employees and applicants without regard to race, religious creed, color, sex (including pregnancy, breast feeding and related medical conditions), gender, gender identity, gender expression, sexual orientation, national origin, ancestry, citizenship status, military and veteran status, marital status, age, protected medical condition, genetic information, physical disability, mental disability, or any other protected status in accordance with all applicable federal, state, and local laws.

Job Functions and Work Environment:

While performing the duties of this position, the employee is required to sit for extended periods of time. Manual dexterity and coordination are required while operating standard office equipment such as computer keyboard and mouse, calculator, telephone, copiers, etc.

The work environment characteristics described here are representative of those an employee may encounter while performing the essential functions of this position. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions of this position.
